College Graduation

PRICING & INFO

Welcome

Thank you for considering me as your graduation photographer. I am a UW-Madison graduate myself and will forever cherish my high quality photos with friends and family taken around the Wisconsin campus. You will not regret capturing these memories!

Every year I am fortunate to have the opportunity to meet the newest grads on multiple shoot days. I absolutely love being back on campus, connecting with new grads, and learning about some of their favorite college memories.

Photoshoot FAQ's

WHEN SHOULD I SCHEDULE MY SESSION?

For spring 2023, I have availability starting April 26th. I will accept portrait sessions up until commencement date plus a few weeks after. Please note the weather can be unpredictable in April, but your photo location spots will not be crowded. Please look into when you will be able to pick up your cap and gown if you would like to use those items in your photoshoot. Pickup is often not available until a few weeks before graduation.

CAN I INCLUDE FRIENDS OR FAMILY IN MY SHOOT?

Yes. I do not limit the number of people in your session and I do not charge per person. However, you will be required to add more time for groups of 4+ people. It is too challenging to fit multiple locations and many people into a one hour session.

WILL YOU RESCHEDULE IF THE WEATHER IS BAD?

I do not reschedule for cold weather but I will reschedule if there is rain. Typically I make the call the evening before the session since Wisconsin's weather forecast is known to change
